LETTER MR. YAKUP BERIS. 12/11/2019. #159-01

Dear Mr. Yakup Beris!

Main objective of International Human Rights Defence Committee (CIPDH) is the protection of inalienable human rights, support of state, international, public, religious and other organizations in struggle against the illegal actions which are violating human rights. International Human Rights Defence Committee is registered in the system of the United Nations (registration number is 162389). We maintain international projects in the field of human rights protection and we are acting under direct agreements with the state law enforcement structures.

Mr. Yakup Beris , please, let us know is there any possibility to rent an office for a long term in your UNDP Liason Office in Almaty? In Kazakhstan we have two registered branches and now we are seeking for an office for our Department of Asian and Eastern Projects, having its personnel in Almaty. If this is possible we will forward an authorized representative for negotiations.

Thank you for your attention.

President of CIPDH
